

Invitation

## LivingDesign

### Presentation & Discussion with Cypriot Designers

Tassos Papadopoulos Building, Hall 1, 1st floor

Cyprus University of Technology, Limassol

Wednesday 20 April, 2016 (6.00 - 9.00 pm)

**World Design Day Cyprus** is an annual event that aims to create awareness on the varied benefits of design.

#### The aim of the event is to:

- provide a public platform for the dissemination of the innovative work and achievements of Cypriot designers from different fields
- promote Cypriot design that is underpinned by social, ethical, environmental and inclusive considerations
- highlight the contribution to the quality of life, as well as the cultural, social and economic contribution of design disciplines to Cypriot society and
- raise awareness of design thinking and process in the context of Cyprus.

#### Cypriot Designers to speak:

- Daphne Christoforou, illustration
- Daniella Georgiou, product design
- Christina Skarpari, communication design
- Constantinos Economides, industrial design
- Xenios Symeonides, graphic design

#### Organisers:
