Enriching your Foreign Language Class through Digital Storytelling

Presenter:

Dr Ana Sevilla Pavón, Assistant Professor, University of Valencia

Brief description of the workshop:

In this hands-on digital storytelling workshop participants will:
a) learn about digital storytelling (What? How? Challenges? Steps?); b) apply their knowledge by creating a digital assignment or/and their own digital story in 6 easy steps (script, storyboard, visuals, voice-over narration, slide show and soundtrack); and c) share their work, ideas and concerns with other participants in the final feedback session.

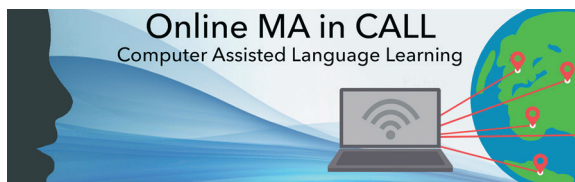

Programme:

- 15:00 - 15:30 Registration
- 15:30 - 16:30 Introduction to Digital Storytelling
- 16:30 - 17:00 Coffee Break
- 17:00 - 18:00 Create your own digital story
- 18:00 - 18:30 Feedback session

Presenter's short bio:

Dr Ana Sevilla Pavón (PhD in Applied Linguistics) is Assistant Professor at the University of Valencia and researcher at IULMA, SILVA and TALIS. Her research and teaching interests revolve around Computer-assisted language learning and testing; courseware design; intercultural communication through telecollaboration; and English for Specific Purposes. She has participated in numerous international projects and conferences, and published journal articles (Ibérica, Revista de Educación a Distancia, and European Journal of Open and Distance Learning, among others), books and book chapters (Cambridge Scholars, Springer, De Gruyter, Equinox).

The workshop is free and a certificate of attendance will be given to all participants. To register, please fill in the form: <http://bit.ly/2nyjuab>
