

Geolmaging Ltd, Cyprus University of Technology and the Sewerage Board of Nicosia invite you to the ARinfuse online event and training seminar

# Exploiting the potential of Augmented Reality & Geospatial Technologies within the utilities sector

**Thursday January 28, 2021 10:00-13:30 EET (09:00-12:30 CET)**

## Webinar program

### The ARinfuse project: Bridging AR with Utilities management through academic and professional training.

- 10:00** Opening remarks and welcome by event organisers.
- 10:10** The ARinfuse project: Bridging AR with Utilities management through academic and professional training. Konstantinos Smagas (Geolmaging, Cyprus)
- 10:25** From interactive to cognitive augmented reality: current trends in applied research. Narek Minaskan (DFKI, Germany)
- 10:45** ARinfuse curriculum and business cases. Anders Östman (Novogit AB, Sweden)
- 11:00** Break. (5 minutes)

### Stakeholder session - Putting innovative tools into practice. Experiences and potential of AR, VR and smart geospatial applications in Cyprus.

- 11:05** Experiences with AR in the utilities sector. Dries Luts (VMM, Belgium) and Roderic Molina (GISIG, Italy)
- 11:15** Integration of Geospatial Information and Augmented Reality for supporting the utility sectors & Eratosthenes Centre of Excellence as a digital innovation hub. Dr. Diofantos Hadjimitsis – ex Vice rector of CUT, Coordinator of the Excelsior Teaming Project & Managing Director of the Eratosthenes Centre of Excellence.
- 11:25** Solomos Charalampous - Water Board of Lemesos. (Presentation title tbc)
- 11:35** Koula Ioannou, Municipal Engineer, Technical Services - Nicosia Municipality. (Presentation title tbc)
- 11:45** Nicolas Nicolaou, Network Electrical Engineer, Electricity Authority of Cyprus. (Presentation title tbc)
- 11:55** Q/A – Discussion.
- 12:00** Break. (15 minutes)

### ARinfuse offering - Training material and tools for AR and visualization applications.

- 12:15** Introduction to the ARinfuse training platform on Moodle. Roderic Molina (GISIG, Italy)
- 12:30** Putting AR in operation. Anders Östman (Novogit AB, Sweden)
- 12:45** Cartographic Visualization from 2D to AR for underground utility. Apostolos Papakonstantinou (CUT, Cyprus)
- 13:00** How to use the ARinfuse tool. Elena Valari (Geolmaging, Cyprus) and N. Minaskan (DFKI, Germany)
- 13:15** Opening of Training period: Timeframe, logistics and feedback.
- 13:20** Q/A – Discussion.
- 13:30** End of the event.

\*Final presentation titles will be announced soon.
