

# Narrative Language and Digital Literacy Around the World: Helping Clinicians Know What to Do

SAVE THE DATES

October 14-22, 2021

**Online Composium presented by the Child Language Committee of the International Association of Communication Sciences and Disorders (IALP) and Department of Rehabilitation Sciences of Cyprus University of Technology.**

**Offering asynchronous online sessions and synchronous interactive sessions with internationally renowned presenters in two strands:**

- **Narratives - Employing narratives in assessment and intervention**
  - *Addressing narratives as a window into well-being and socialization, as well as language skills*
  - *Lessons learned from studying narratives in languages other than English*
- **Digital Literacy - The opportunities and challenges of digital literacy for children and adolescents who struggle with language**

Further program information and registration will be available in August at the: <https://ialpasoc.info/>
